Re: The Application of BellSouth Mobility, LLC, d/b/a Cingular Wireless - Kentucky for Issuance of a Certificate of Public Convenience and Necessity to Construct a Wireless Communications Facility at Rough and Tough Road, Prestonsburg, Kentucky 41653 or, in the Alternative, an Order Requiring Co-Location on Reasonable Terms and Conditions in the Wireless Communications License Area in the Commonwealth of Kentucky in the County of Floyd; Site name: Brainard; Case No. 2004-00413

Dear Ms. O'Donnell:

As you probably know, the applicant in the above-styled case, Cingular, filed a motion today entitled "Motion to Schedule a Public Hearing and Procedural Order."

We intend to file a response to Cingular's motion by not later than August 7, 2005 on behalf of East Kentucky Network LLC.

In the meantime, East Kentucky Network would note that a copy of the proposed collocation agreement, which is the subject of Cingular's motion, was submitted to Cingular on May 31, 2005. Since that date, Cingular has not called East Kentucky Network, either by counsel or otherwise, to discuss the proposed collocation agreement and particularly the consideration provisions of the collocation agreement which appear to have provoked Cingular's motion. East Kentucky Network fails to understand why Cingular would trouble the Commission with its motion before it attempted to resolve this matter by negotiation with East Kentucky Network. East Kentucky Network is open to negotiations, and remains so, and will be contacting Cingular to negotiate any issues of concern to Cingular.
